

THE 411 ON WFH

Ensuring you're (remotely) set up for success in your job search and beyond.

With the reality that the world will be working remotely to some degree moving forward, we wanted to provide you with best practices and tools to help you in any situation you may encounter during your time working with Premier.

.....

TACKLING THE VIDEO INTERVIEW

DO'S

&

DON'TS

- Make sure you have a good internet connection
- Have a blank wall or a simple backdrop behind you (ie. plant, bookshelf)
- Sit in good lighting
- Minimize distractions (for both you and the other person/people in the call)
- Open all necessary web pages prior to the call starting
- Ensure your webcam is on a stable surface
- Know your tech!

- Have a lot going on behind you (possibly distracting who you're speaking with)
- Eat on the call
- Have an un-tidy room in view
- Move around while on the call, or remove your face from camera view
- Turn off the video
- Be too relaxed casual (even if you are at home)
- Forget your headphones
- Dress too casually for the occasion

Tip: Don't do anything you wouldn't normally do in an in-person interview. If you have any questions, please don't hesitate to reach out to your Talent Success Manager.
